Users shall apply to JASDEC by the 20th of the preceding month (the preceding business day if the 20th is not a business day of JASDEC) in order to change the choice of fee rates. Unless the User applies to JASDEC for the change of fee rates by the due date, the fee rate for the following month shall not be changed and Users shall pay the sum of fees calculated by the current fee rate plus the corresponding consumption tax and local consumption tax.
