Notes: 1. NETDs:Non-exchange transaction deliveries

2. The business concerning Depository and Book-Entry Transfer of Foreign Stock Certificates, etc. covers Foreign Stocks Certificates, Beneficiary Certificates of Foreign Investment Trust, Foreign Investment Securities, Beneficiary Certificates of a Trust That Issues Foreign Beneficiary Certificates, Foreign Covered Warrants, Foreign Depository Receipts and Foreign Stocks.

3. The custody balances are as of end of each fiscal year or month. There may be a case that the custody balances of the current month differ from the one which we add and subtract the number of Deposits and Withdrawals from the custody balances of the previous month. This is due to the change factors such as stock dividend, stock split, free share distribution, cancellation and reverse stock split, other than Deposits and Withdrawals.

4. While the number of shares for NETDs means the total number of shares from delivering Participants to receiving Participants until December 2008, after January 2009, this means the total number of shares from delivering "Foreign Stock Certificates, Etc., JASDEC Participants" to receiving "Foreign Stock Certificates, Etc., JASDEC Participants" (as for DVP settlement, the number of shares from delivering DVP participants to JDCC (JASDEC DVP Clearing Corporation)).

5. While the number of shares for Exchange Transactions means the total number of shares from delivering Participants to receiving Participants until December 2008, after January 2009, this means the total number of shares from delivering clearing participants to JSCC (Japan Securities Clearing Corporation) and shares from JSCC to receiving clearing participants.

6. Depository and book-entry transfer business for foreign stock certificates, etc. was started on April 28, 2006.
