Points of Crossing

Amid the busy crisscrossing of securities between issuing companies and investors, one location has the task of channeling each security on the way to its proper home.

This location has to pursue speed, efficiency and convenience, while being absolutely trustworthy and offering the greatest possible accuracy and reliability.

This location is JASDEC. At JASDEC, we are constantly aware of our public role as a core part of securities clearing and settlement infrastructure, with a responsibility to contribute to capital markets and to society as a whole.
