Article 1 Purpose

These Rules shall prescribe necessary matters regarding the service fees to be paid to JASDEC pursuant to the provisions of Article 59 of the Operational Rules Regarding Corporate Bonds, etc. (hereinafter referred to as the “Operational Rules”), by Issuers, Issuing Agents, Paying Agents, Fund Settlement Corporations, BOJ Net Fund Settlement Corporations, Trustee Companies, JASDEC Participants, Indirect Account Management Institutions and the interested parties prescribed in Article 70 of the Operational Rules (hereinafter referred to as the “Assessed Parties”).

Article 2 Defined Terms

The terms used in these Rules which are the same as those in the Operational Rules or the Enforcement Rules of Operational Rules Regarding Corporate Bonds, etc. shall have the same meaning as ascribed therein.

Article 3 Service Fees

The Assessed Parties shall pay to JASDEC the service fees prescribed in the Appendix (meaning the sum of the amounts calculated for each fee category prescribed in the Appendix) in a manner prescribed separately by JASDEC. In this case, amounts corresponding to the applicable consumption tax and local consumption tax shall be added to such service fees.

Article 4 Time of Payment

The time of payment of the service fees prescribed in the preceding article shall be as prescribed in each of the following items for the category of the Assessed Party set forth in the item:

- (1) Issuer, Issuing Agent, Paying Agent, Fund Settlement Corporation, BOJ Net Fund Settlement Corporation, Trustee Company, JASDEC Participant and Indirect Account Management Institution:
With respect to the current month, by the last business day of the following month.
- (2) Interested parties described in Article 70 of the Operational Rules:
By the day separately designated by JASDEC.

Article 5 Delay Damages

When any Assessed Party fails to pay the service fees by the time of payment prescribed in the preceding article, JASDEC may collect from the Assessed Party delay damages at the rate of JPY 0.04 per day for each JPY 100 of the unpaid amounts.

Supplementary Rule

These rules shall come into effect as of the implementation day of the Act for Partial Amendments of the Act on Book-Entry Transfer of Corporate Bonds and Other Securities for the Purpose of Streamlining the Settlement of Trades of Shares and Other Securities, etc. (Act No. 88 of 2004) prescribed in the main text of Article 1 of the Supplementary Provisions of the Act.

Supplementary Rule (Notice on March 31, 2009)

These amended provisions shall come into effect as of March 31, 2009.

Supplementary Rule (Notice on September 24, 2009)

These amended provisions shall come into effect as of September 28, 2009.

Supplementary Rule (Notice on June 24, 2010)

(Note)

1. With respect to the Account Opening Fee and System Connection Preparation Fee, if the Classified Account to be opened is an account other than Trust Account (1), Trust Account (2), Trust Account (3), Trust Account (4) or the Customer Account, a set (*kumi*) shall mean a pair of (a) an account on which withholding tax is not imposed and (b) an account on which taxes are imposed, and if such Classified Account is Trust Account (1), Trust Account (2), Trust Account (3), Trust Account (4) or the Customer Account, a set (*kumi*) shall mean a single Classified Account. Further, in a case where the Classified Account to be opened is an account other than Trust Account (1), Trust Account (2), Trust Account (3), Trust Account (4) or the Customer Account, the number of sets (*kumi*) shall be calculated assuming that a set (*kumi*) is opened if (i) (a) an account on which withholding tax is not imposed and (b) an account on which taxes are imposed are simultaneously opened as a pair, or if (ii) either of (a) or (b) is opened (excluding the cases where the other has already been opened), and in a case where such Classified Account is Trust Account (1), Trust Account (2), Trust Account (3), Trust Account (4) or the Customer Account, the number of sets (*kumi*) shall be calculated assuming that a set (*kumi*) is opened if a single Classified Account is opened.
2. The Terminal Connection Fee shall be the amount derived from (i) adding together the amount calculated by the fee rate applicable to the total number of authority (participation type) linked to the respective user ID on each business day of the applicable month, and then (ii) dividing the sum of (i) by the number of business days during such month.
3. In the case where the value of each Corporate Bond is displayed in a Currency other than Japanese yen, the total issue amount to be used to calculate the New Record Fee (management fee of total balance of the issue) shall be the amount converted into Japanese yen based on the middle rate of the Customer Telegraphic Transfer Spot Selling Rate and the Customer Telegraphic Transfer Spot Buying Rate applicable at the Tokyo Foreign Exchange Market (if JASDEC deems it inappropriate to use the rate on the foregoing, then the foreign exchange rate designated by JASDEC at each applicable instance) as of the 15th day of the month preceding the month in which a payment date is included (if the Tokyo Foreign Exchange Market is not open on the relevant date, then the immediately preceding date on which the Tokyo Foreign Exchange Market is open).
4. With respect to the Special Rules Straight Bonds, there is no need to pay the New Record Fee (management fee of total balance of the issue).
5. JASDEC shall make payment requests for the New Record Fee (management fee of total balance of the issue) through the Issuing Agent of the Issuer and shall receive payment thereof from the relevant Issuing Agent.
6. The monthly average account balance to be used for the calculation of the Account Balance Management Fee shall be the amount derived from dividing the sum of amount (in the case of the Fixed Date Redemption Issue, the Actual Balance) recorded in the Book-Entry Transfer Account Register for each Issue at the close of each business day during the applicable month by the number of business days during such month. In this case, with respect to the Non-JASDEC-Related Issues, the calculation shall be made based on the amount derived from multiplying the amount (in the case of the Fixed Date Redemption Issue, the Actual Balance) recorded in the Book-Entry Transfer Account Register for each issue by 80%, and Issues Substantially Managed by Serial Number shall not be included in the calculation.
7. With respect to the Account Balance Management Fee, if the monthly amount of the fee applicable to a JASDEC Participant is ¥100,000 because of the application of the proviso to the fee rate set forth in the table, and if such JASDEC Participant opens or closes its account during such month, the actual monthly amount of the fee in such month shall be the amount derived from (i) multiplying ¥100,000 by the number of business days during which its account was open and then (ii) dividing the number of (i) by the number of business days during such month.
8. In the case where the value of each Corporate Bond is displayed in a Currency other than Japanese yen, the account balance to be used to calculate the Account Balance Management Fee shall be the amount converted into Japanese yen based on the middle rate of the Customer Telegraphic Transfer Spot Selling Rate and the Customer Telegraphic Transfer Spot Buying Rate applicable at the Tokyo Foreign Exchange Market (if JASDEC deems it inappropriate to use the rate on the foregoing, then the foreign exchange rate designated by JASDEC at each applicable instance) as of the 15th day of each preceding month (if the Tokyo Foreign Exchange Market is not open on the relevant date, then the immediately preceding date on which the Tokyo Foreign Exchange Market is open).
9. With respect to the Certificate of Matters Recorded in the Book-Entry Transfer Account Register, any requests of issuance made on the same day and of the same type (including item breakdowns) shall be regarded as a request for a single certificate (with provision via the Target Hofuri Website being a single transaction).
